My Family

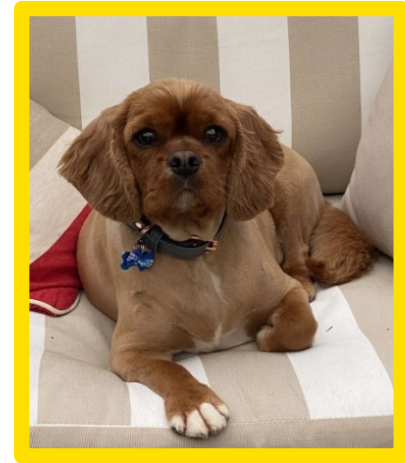

I am married with two cheeky but beautiful boys. Bailey is 12 and Lochie is 9. My husband Matt and I will have our 16-year wedding anniversary this year ! I grew up in Penrith and now live in Woodford, which is part of the Blue Mountains.

My family meets weekly and my Gran cooks for whoever can make it. We call it tribe night and it's always noisy but it's the best !!!!

My Pets

I have one cat, Ninja who loves my shoes ! If I leave them lying about, Ninja will be found with his paw tucked inside ! Ninja is a rescue cat who was found with his brothers and sisters under a school building. Minnie is our little Cavalier Cross and Monte is a King Charles Cavalier. They are my fur babies and I love them dearly. Minnie and Monte are inseparable and enjoy lots of snuggles on the lounge.

Hobbies & Interests

The beach is my happy place and I visit my mum and dad regularly on the South Coast. Nelson Beach in Vincentia is my favourite spot. I love to cruise and have been twice with Matt and the boys to the South Pacific Islands. I really enjoy spending time with my mum who I see every school holidays. I also love to cook and catch up with friends and family at different restaurants and cafes. I relax by binge watching different series curled up on the lounge !

My Favourites

Reading Rocks !

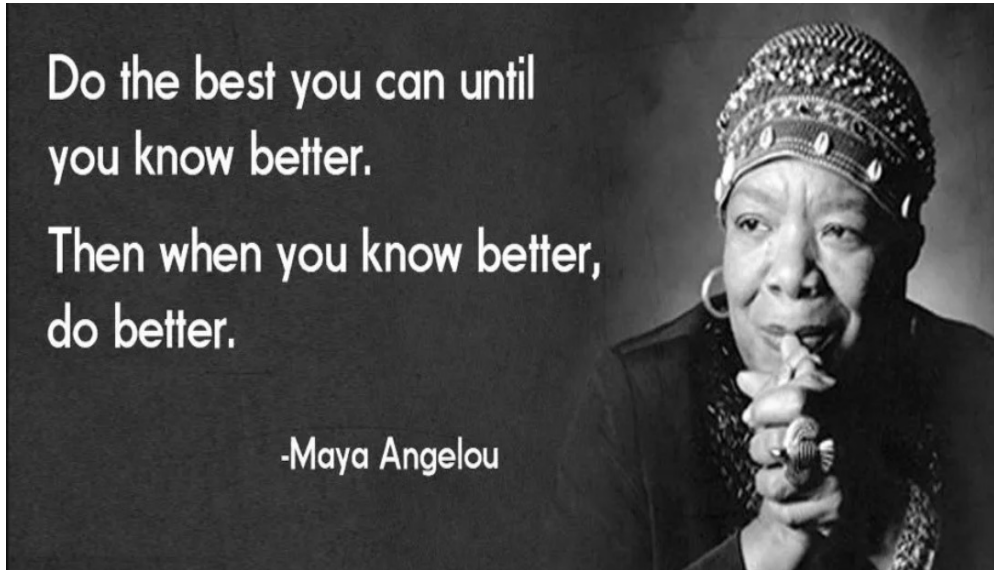

I really enjoy reading especially in holiday times. At the moment I am reading Dare to Lead by Brene Brown. It explores the characteristics of brave leaders who are not afraid to demonstrate genuineness, dialogue on differences, and exhibit empathy. I also love reading true stories about people who have overcome hardship and fictional stories that have an unexpected twist at the end. Reading is something I would like to make more time to do !
