# My Family

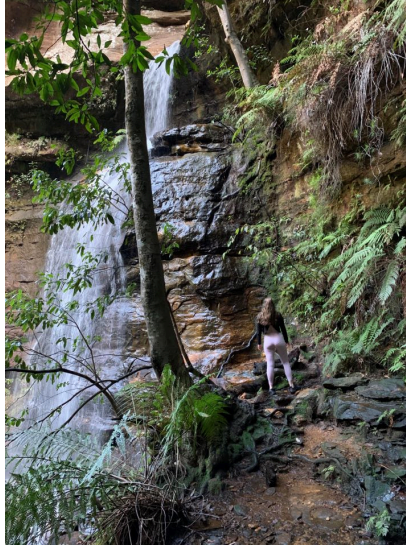

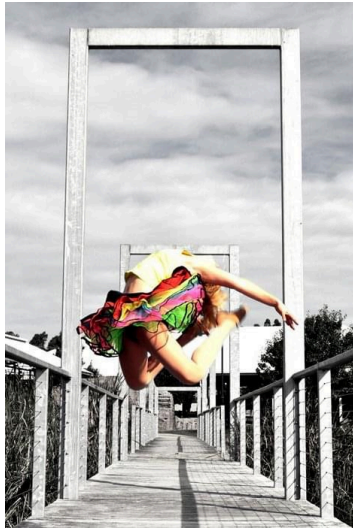

I am an only child, however I am blessed with a beautiful extended family. I also consider my friends to be family. I am very lucky to have such wonderful people in my life.

# My Pets

Meet Krystal. I have had Krystal since she was 6 weeks old. This September she will be 14. Although she is old for a dog, she still has so much energy and loves to play fetch and go on long walks.

# Hobbies & Interests

When I'm not at school, you can often find me in 1 of 3 places. Most days after school, I teach dancing at a few dance studios in Western Sydney. I have been dancing since I was 5. If I'm not dancing the night away, I am often going on long walks. I love to be adventurous and go on long walks that have a nice view. In my down time, I love to lose myself in a good fiction book.

# Reading Rocks

I LOVE to read books. On the weekends, you'll often find me curled up in bed or relaxing in the spa with a book in my hand. I love to read fiction books as it allows me to escape reality and create a fantasy world for a little while. I set myself a goal of reading at least one book a month. Here are some of my personal favourites.

# Fun Facts About Me!

- I am a huge NRL fan. I support the South Sydney Rabbitohs. They are the best team and you can't tell me otherwise.
- I love to be outdoors and going on new adventures.
- I love to do karaoke - although I am not very good at singing.
- I love to set goals and strive to achieve them every year.
- I love to travel, my next destination is either Hawaii or New Zealand.
- I have known I wanted to be a teacher since I was in Year 4. I am so excited to be living my childhood dream.

This will be an  
amazing year!

I cannot wait to be  
a part of the  
Southie family!
