My Family

I have a small but very close family. We are constantly laughing at everything together and telling silly jokes at the dinner table. I have two younger brothers and one older sister.

My Pets

I have 3 pets at the moment.

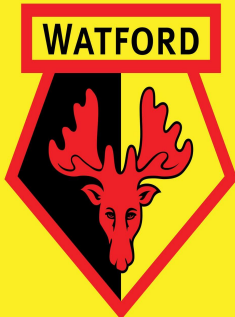

Rex, he was my first pet and although he is old now (16 years!) I still call him my puppy.

Alfie, our very curious and playful cat

And Bundy, the very energetic puppy who loves to roll in the dirt and play fetch

Hobbies & Interests

When I'm not at Windsor South you may have seen me teaching swimming at the Hawkesbury Oasis Pools. I love swimming in both pools and the ocean!

In my downtime I like to go for bushwalks and watch sports including NRL, Soccer and Formula One is my favourite at the moment.

Fun Facts About Me

I love travelling and have worked in the USA where I taught Kayaking at a summer camp.

I am always reading a book or two, usually about history or science.

I have been to 16 countries

I am double jointed in most places, meaning my fingers can stretch back and I can actually bring my foot up behind my head.

I am very excited about 2021. I can't wait to see all students back at school and continuing to learn.

I know this year will be filled with lots of laughter and great memories at Windsor South.
