My Family

Very scared

I have an amazing family! My husband and I have 3 children all adults and living at home. Love spending time and creating great memories with them. Just recently all went Canyoning together in the blue mountains.

Extremely scared

Not scared

family moments

We love waterskiing on the Hawkesury River

My daughter Janae has a Degree in Social Science

My oldest son Hayden is an Electrician
and my youngest son is studying at tafe.

Mothers day
2020

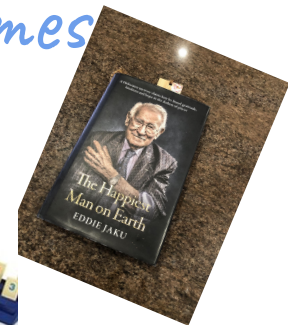

My Pets

The newest member of our family is our Standard Schnauzer - Maggie. She is only 11 weeks old and has kept me awake for most of the school holidays. She is very cute and naughty and is settling in nicely with our family. We also have a Macaw (my husbands pet) he is very noisy and naughty. Loves interaction with people. He is 20 years old. He could live to be 65-70 years old.

Hobbies & Interests

I like being creative. Last year I completed my first quilt. I also starting doing xmas bauble decorations. I enjoy reading, currently reading the Happiest Man on Earth-its about a 100 year old jewish man who survived WW11. I like true stories but also enjoy the occasional romantic fiction. We play games at home, like rummicub, sequence and card games

My Favourites

FOOD

A good fresh Chicken Schnitzel with mash and salad

HOLIDAY

Mooloolaba

COLOR

Blue

MOVIE

Heart and Souls

Dusk

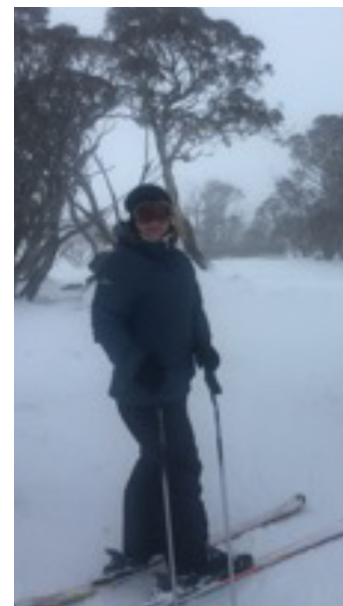

Favourite Holiday destinations

Outback NSW

Halong Bay - Vietnam

Perisher Valley

Whitsundays

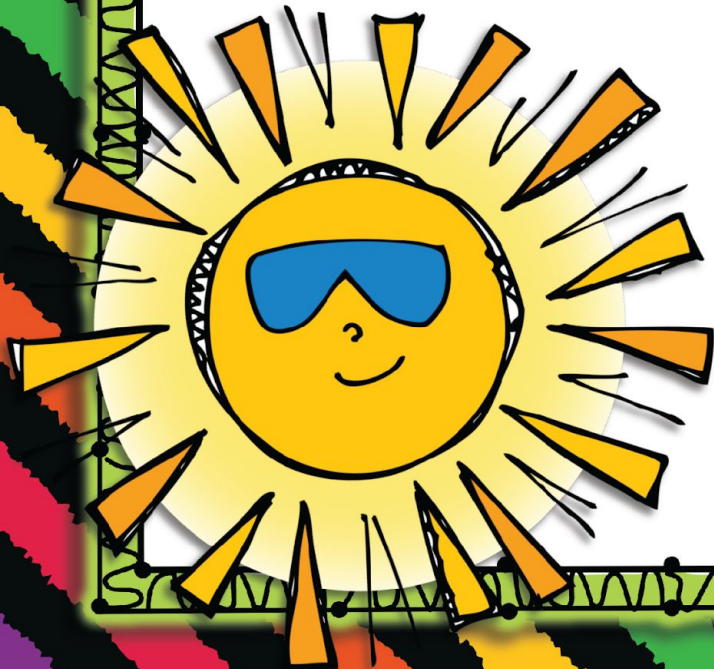

Waikiki

Uluru

2021 Summer Holidays

I have loved been at home these holidays.
Spending time with our new puppy,
reading, sewing and enjoying the sun
when its out.

Crazy Facts About Me

- I buy earrings all the time. I don't know why as I hardly ever wear them.
- I start projects and don't finish them. It really annoys me but that's just me. I eventually get around to finishing.
- I love cooking but the end result never ends up being the same. Except for my spaghetti bolognese which is my only consistent recipe.

2021, can't wait!

I am so looking forward to
starting this year.

Can't wait to meet our
EI students and working
with such amazing people at
Windsor South.
