My Family

I live with my husband Stuart and our 10 year old daughter Indiana. We live in the Penrith area, where I grew up since I was 7. I also come from a big family of 8, with 6 kids including twins! I love my big family! We are very loud and we are all very close!

My Pets

Meet my cat MJ
(Michael Jackson)
he is 12 years old
this year and my
daughter's bunny
Milo has just
turned 1. They
both love to eat
and sleep and have
become good
friends!

Hobbies & Interests

I love motorsports, in particular Sprintcar Racing! I met my husband at Parramatta Raceway where he is the lead commentator.

My daughter loves netball, so on Saturdays in Winter, I am usually watching her play!

I love spending time with my extended family on the weekends whenever we can all get together.

I also love The Melbourne Storm in the NRL, watching a good movie, going to concerts, listening to acoustic music and traveling!

Reading Rocks!

When I get the chance, I like to read true stories about inspirational people or books about crime. I love to read children's books to my daughter, nieces and nephews! I also love collecting children's books. When I was younger my favourite author was Paul Jennings!

Summer Vacation

Over the Summer break, I spent time with my family, visited friends I haven't seen in a long time due to the pandemic, visited the Central Coast, Hunter Valley Lights, swam, slept in, made some craft with my daughter, cooked and ate lots of yummy food and relaxed before a big year ahead!
