

Meet Mrs O'Brien

School Learning Support Officer
(S.L.S.O)

My Family

I am married to Tyrone and we have 3 daughters. My eldest, Nicole is 24 and works in Early Childhood. Teagan is 15, in year 10 and has just got her first job at a fast food outlet. Kayleigh is 10, in year 5 and loves painting just like me. My Husband works in the web and IT industry and coaches junior boxing in his spare time.

Pets

It is a family joke that we have a zoo. Along with our chickens and 2 conures we have 3 dogs: Pixie, Daisy and Frankie. We also have a cat named Moggie.

Animals play a big part in our family and we couldn't imagine our lives without them.

My Hobbies and Interests

I enjoy going camping with my family and reconnecting with nature. I especially love bird watching and bush walking.

I love all textile crafts, drawing and painting.

At home I enjoy sewing. I have made dolls for charity, various baby items and even masks during the pandemic.

I am learning how to crochet and have made a couple of pairs of bed socks for family and friends.

I enjoy gardening and propagate succulents because they are low maintenance.

My Favourite Things

Fun Facts About Me
