My Family

My husband and I have two children who are grown ups. Our daughter is 27 and lives in London. She has a Bachelor of History and is currently completing a law degree. We miss her a lot.

Our son is 25 and most students already know him, Mr North, he is a teacher at Windsor South Public School. He just got married in January.

My Pets

Our family has 4 horses and 2 cats. I have always had pets and they are like my mates, I often chat with them when I get home from work. They are great listeners and enjoy a scratch and a pat.
