

Meet Miss Schultz

All about your
teacher!!

My Family

I have lived in the Hawkesbury
all my life with my Mum, Dad
and older brother Luke.

I currently live with my
boyfriend Liam.

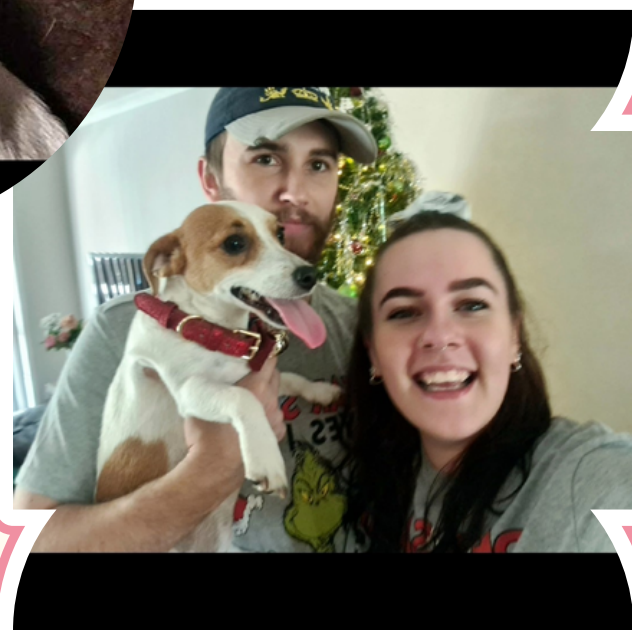

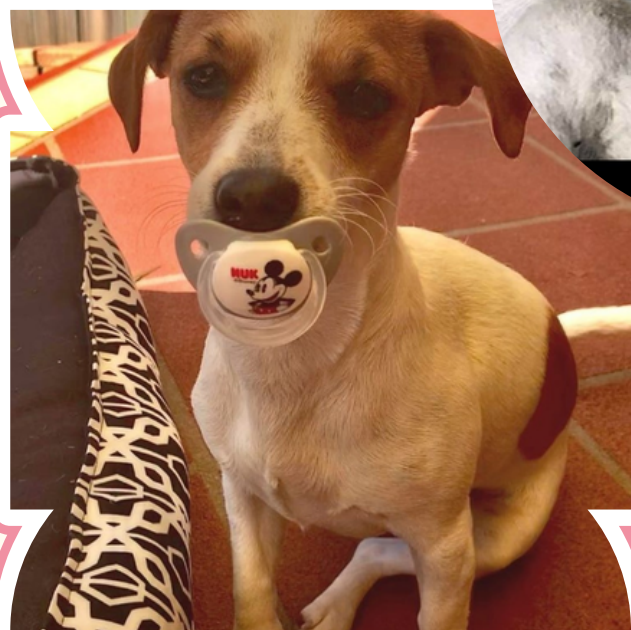

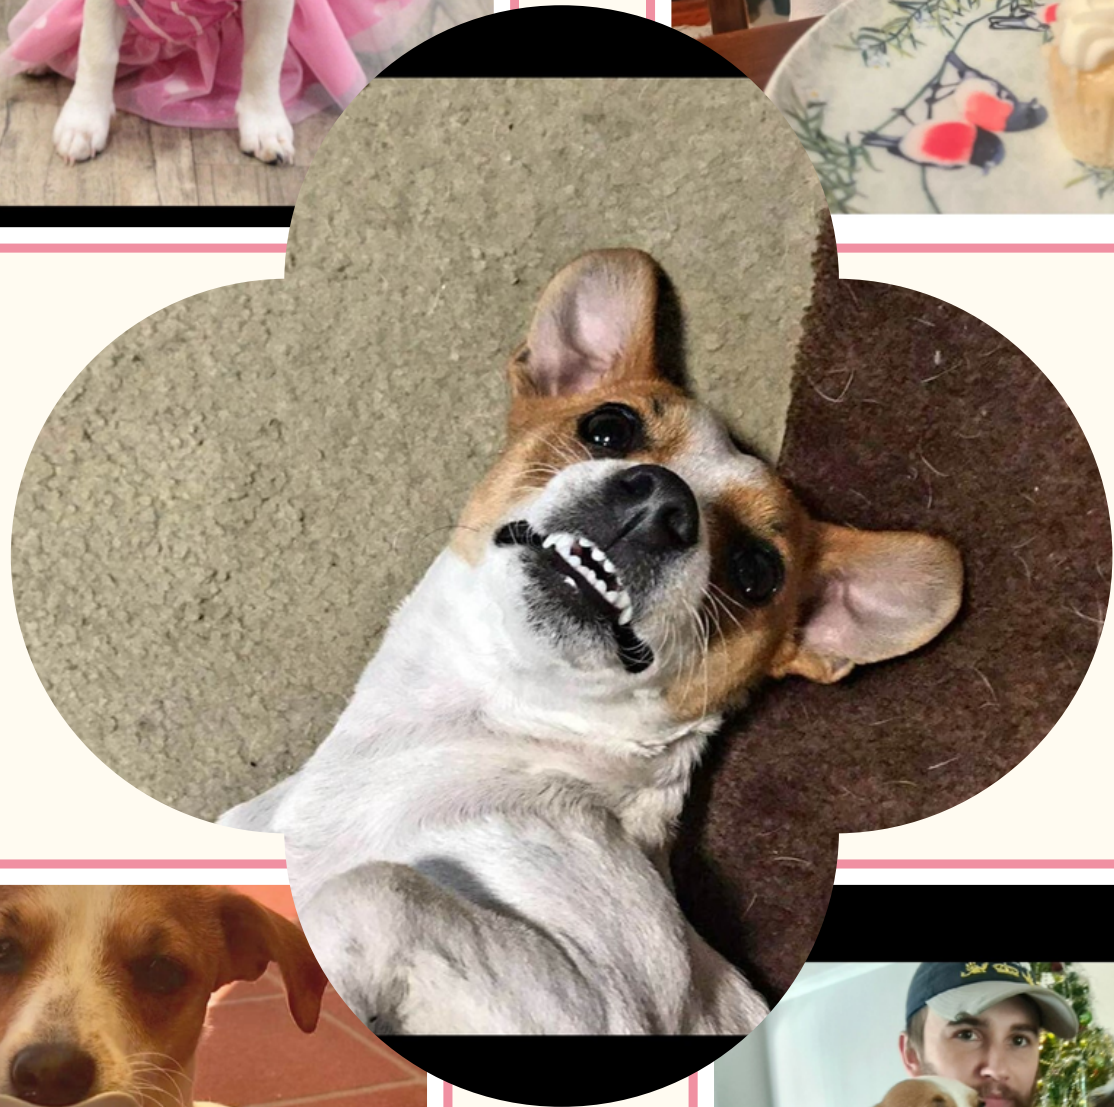

My Pet

Meet the beautiful Olive. She is a 3 year old Jack Russell Terrier, who is FULL of energy.

For a little dog, she sure is packed full of personality!

Olive loves being the centre of attention and really is our baby girl.

Hobbies and Interests

I have many hobbies and interests. One thing I love to do is travel! Particularly, I enjoy visiting friends in America and my family in New Zealand. I spend my down time watching movies such as Lord of the Rings, Disney films, Harry Potter, true crime documentaries and any horror films!

2024 is our year to grow!

I'm excited for the start of school in 2024
and can't wait to meet and connect with
all the students and parents in 4/5
Sahara. It's going to be a year packed
with adventure, learning, fun, and
progress!
