Reading rocks

I love reading, so you'll often find me finishing my day by winding down with a good book. I am very selective and only read books I connect with. I love non fiction success stories and books about personal growth.

Summer Vacation

In my holidays I spent some time playing golf, hanging out with my friends and family, and spent some time in Shoal Bay.

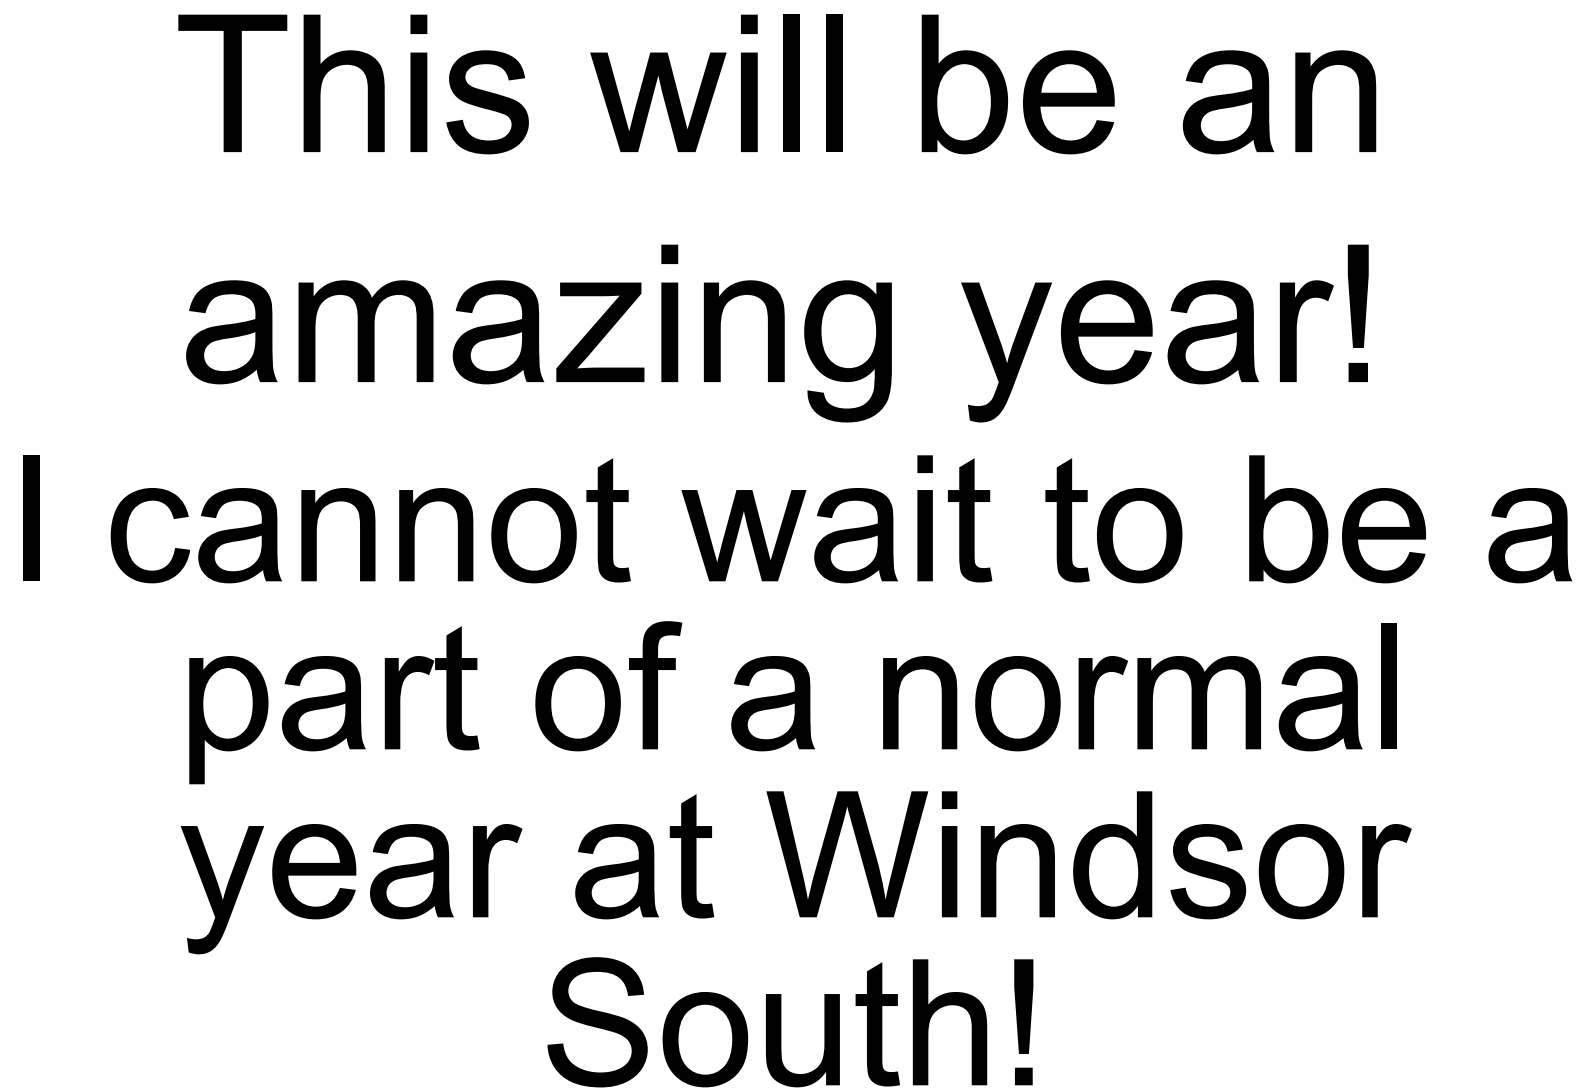

My Christmas was very quiet, with family, and New Years was very similar.

I have been very much looking forward to coming back to school and seeing everyone.
