All About
our Principal!

MY FAMILY

My husband and I have one son. He is a Soil Ecologist. He has completed a masters degree and is currently completing his PHD. So, in a few years, we'll be calling him Dr Dylan. Dylan loves sky diving and going on adventures.

MY PETS

Meet Lucy and Marley. They are Labrador Retrievers. They are very smart, and love getting up to mischief. They both love swimming in the pool and at the beach. Marley loves playing with the ball and Lucy loves stealing our socks.

HOBBIES & INTERESTS

This is me walking in the early morning, before the sun comes up.

When I'm not at school, I love spending time with my friends. I like to meet them at restaurants and cafes and we stay for hours and hours talking and laughing. I love going to the beach with my family and my dogs. I like listening to podcasts and audiobooks and my favourite exercise is walking the dogs.

READING ROCKS

I love reading, so you'll often find me out by the pool, or curled up on the lounge, reading a book. I like reading on my Kindle so I don't have to wear my glasses. I have so many favourite books it's hard to choose just a few to share with you. I love fantasy stories and books that are full of suspense. Mrs Farrell always recommends great books for me to read. I don't really like boring lovey dovey books.

FUN FACTS ABOUT ME

- I like racing go karts, but haven't done it in a long time.
- I learned sign language, but I now forget most of it.
- I LOVE cuddling babies!
- I have been a teacher for over 25 years. I have taught some of the parents in our school. That makes me feel very old!
- I grew up in the Kingsgrove area. I moved house many, many times in my youth.
- I get travel sick.
- I love swimming in my pool, but I am scared of swimming in the ocean.

THIS WILL BE AN AMAZING YEAR!

I cannot wait to see
all of you achieve
your goals.
