Support Officer*

MY FAMILY

My family mean the world
to me.
I have three beautiful
daughters and four
gorgeous grandchildren.

GRANDCHILDREN

Harper is 9 years old and loves reading and learning. Her favourite things to do are horse riding, playing cricket and soccer.

Matilda is 2 months old and starting to smile at her family. She is especially loved by her big brother Leo.

Mason is 2 years old and is super energetic and playful. He loves preschool, climbing and playing soccer.

Leo is almost 2 years old and is always smiling and laughing. He loves to ride his tricycle and learning to swim.

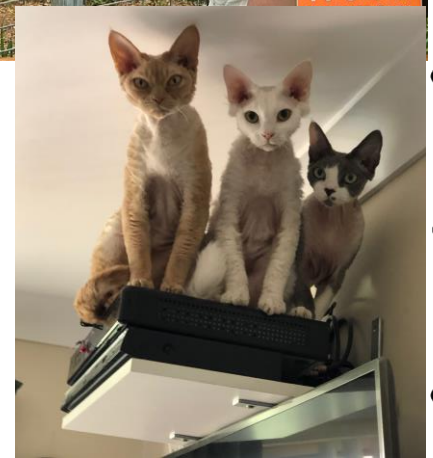

CAVOODLE FUN

Meet Abby, Macca and Toby,
my beautiful babies. They are
loving, loyal and cuddly.

CRAZY CATLADY

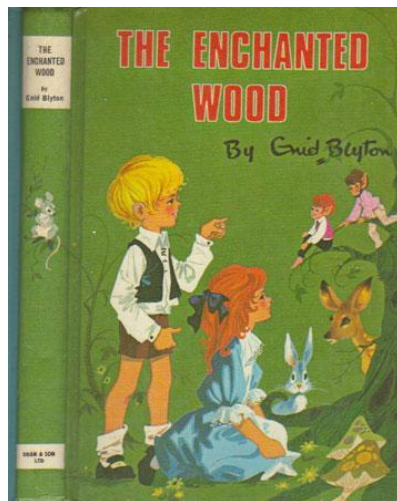

I have been called a 'crazy cat lady' all my life because I absolutely love ALL cats – even the wild ones.

I could not list all the cats I have owned in my life as there has been so many. I have rescued dozens, and now I am a mother of 4 Devon Rex cats who make me laugh everyday with their crazy antics.

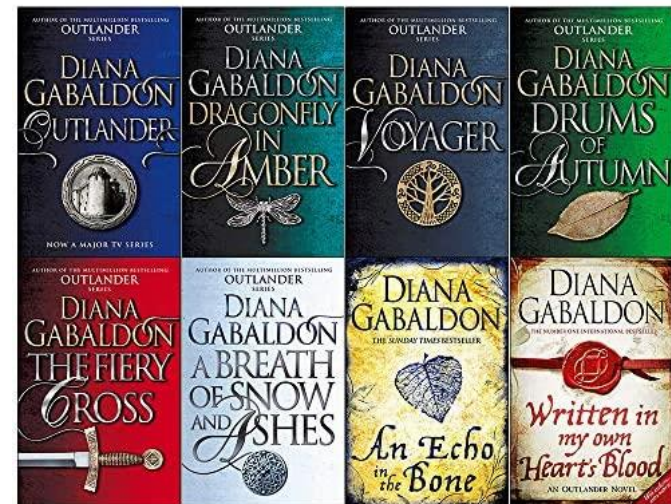

LIFE LONG READER

I have always loved reading since I was a little girl. It started out with reading Enid Blyton's *The Enchanted Wood*. I have read over a thousand books in my lifetime – it is my favourite thing to do in my spare time. I especially love talking to my family and friends about books we have read, sharing our ideas and opinions. My favourite genres to read are historical fiction, mysteries and time travel stories. My all time favourite series is Diana Gabaldon's *Outlander* which I started reading over 20 years ago! And have reread many times.

All time fav

FAVOURITE THINGS TO DO

My favourite things to do are travelling, cruising, reading, going to concerts and musical performances, watching the mighty Eels play and spending time with my family (and my furbabies of course).

BEST EVER HOLIDAY

My long time dream to visit Scotland finally came true in 2018. I decided to surprise my family and secretly flew over to the UK with Miss Telfer... they didn't suspect a thing because I was always too scared to fly. I conquered my fears and had the best holiday ever!

THIS WILL BE AN AMAZING YEAR

I look forward
to another
fantastic year
supporting all the
amazing
teachers and
students at
WSPS.
