

MEET

Mrs Hendry

School Learning Support Officer

MY FAMILY

Im an original Hills girl, but moved to the Hawkesbury with my Partner, Scott, Son, Jaxon and my newborn Amelia. Since then we have gotten married and have added two more kids to the picture, Olivia and Hunter.

I am the oldest of 3 girls, with one still local the other living in Greece.

I have a large extended family with 5 nieces and 6 nephews.

MY PETS

At our house we have a Dog named Bear, a Pig named Buddy, a Fish named Henry and most recently we added 5 regular garden snails :)

HOBBIES AND INTERESTS

I have always loved my sport. Any sport you can think of I have played.

My love for sport continued on after children, and i now Coach at our local Baseball club.

I love being outdoors, in the sun, by the pool, at the beach, out walking - anything outdoors during summer you will find me there.

In my down time I will be reading or binge watching Crime stories

MY FAVOURITES

Family

Fairy Bread

Licorice

Nectarines

Travel

Kmart

Country Music

Australian Hip Hop

READING ROCKS

I have always loved reading and have always encouraged reading every night with my children.

I love Crime and true story books

Jaxon loves Short chapter books such as

Timmy Cahil books or Tree house

Amelia loves the Ash Barty books

Olivia loves Grug (and so do I)

Hunter loves the 'thats not my...' series

FUN FACTS ABOUT ME

I love having a clean kitchen before i go to bed.

I started running marathons last year and have just signed up to the 100km MS marathon in August.

I represented NSW in both European Handball and Softball and was in the first Cherrybrook Netball club as well as the first Hornsby Softball Representative teams established.

I broke my finger in Year 3 playing a game

Called 'peg it' and have never gotten it fixed.

THIS WILL BE AN AMAZING YEAR

I am very excited to start my new chapter with you all here at Windsor South Public School. After many years in the Early Childhood sector I think this new experience will be an amazing opportunity for me to use my skills and put learnt practices into place to work with and support those around me.
