

MEET
MRS.
MCCARTHY

School Learning Support Officer

I love spending
time with my
nieces and
nephews and being
Aunty Shae Shae!

I live with my
husband Stuart and
our 12 year old
daughter Indiana in
the Penrith area.

My Family

I grew up in a big family of 8!
We are all very loud, and we love
to catch up as much as we can,
but as we are getting older and
there are more of us,
it can be hard!

My Pets

MJ & MILO

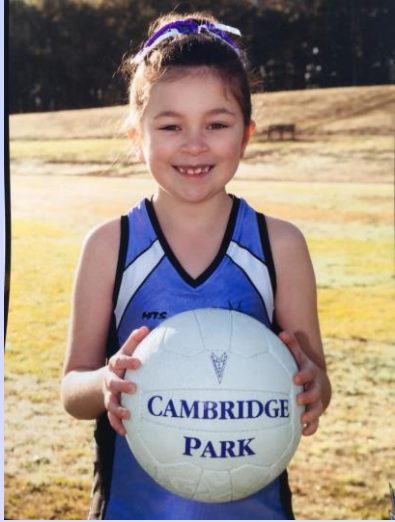

My Cat MJ is 13 and loves to eat and sleep. You can catch him most days laying in the sun or curled up on my bed.

Milo is a Mini Lop Bunny, and he is 3. He loves to eat fresh kale and relax on the cool ground in front of the fan.

HOBBIES AND INTERESTS

I love Sprintcar racing and I am regularly down at Eastern Creek watching on the weekends in the Summer. Some nights, I even sell raffle tickets down there.

In the Winter, I follow Melbourne Storm in the NRL and love watching my daughter play netball!

I love a good chick flick, listening to audio books, acoustic music and traveling!

STEAKHOUSE®

These days, I love listening to audio books read by the author. I love memoirs and autobiographies about celebrities and inspirational people. Currently, I am reading “Spare” by Prince Harry.

I also love true stories and crime.

I have a soft spot for children’s books. My favourite is “Where is the Green Sheep?” By Mem Fox. Growing up, my favourite author was Paul Jennings.

READING ROCKS!

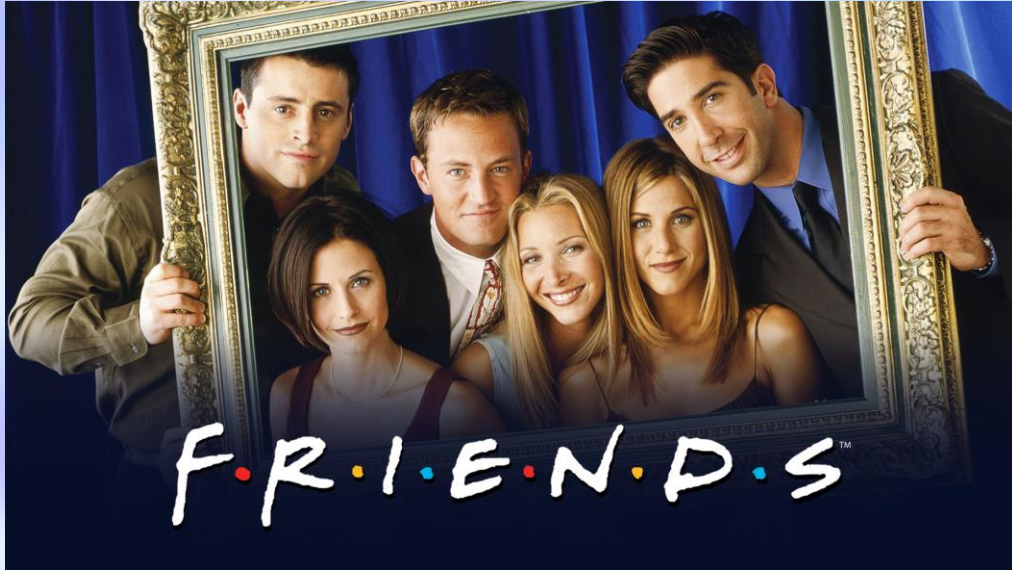

Over the break, I spent time with my extended family, visited the city to watch a comedian, relaxed by the pool, visited Luna Park, travelled to the Gold Coast where I saw the Australian Outback Spectacular, went kayaking and snorkeling, hit up the beach and ate too much yummy food!
