My Family

I am an only child; however, I am blessed with a beautiful extended family. I also consider my friends to be my family, I have been friends with these girls since I was in primary school. I also have a beautiful partner who I am lucky to share my joys in life with.

My Pet

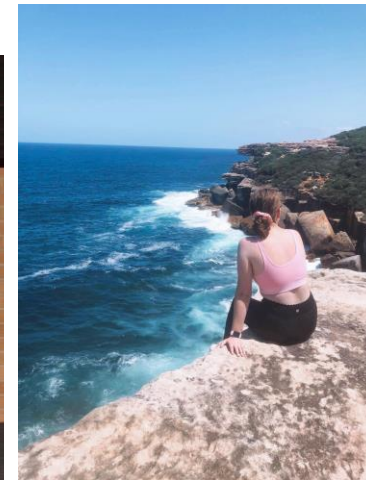

I have a very cheeky cavoodle named Cocomelon, but we only use her full name when she is in trouble. Most days we call her Coco. She loves to cuddle and steal socks.

My Hobbies

When I am not at school you will find me in 1 of 3 places. I love to go to the gym early in the mornings before school starts as it is a great way to move my body and clear my mind. I also love to dance. I did dance lessons for 15 years and taught dance for 10 years before becoming a school teacher. Most of my dancing now happens behind close doors. I also love to go on nature walks.

I absolutely love to Travel. My favourite place I have visited so far has been New Zealand. The next place I am visiting is Fiji. I hope to visit Japan next year.

Fun Facts About Me

I am a big Rabbitohs Supporter and love to watch the NRL.

I love to do Karaoke although my singing sounds better in the shower than on stage.

I have known I wanted to be a teacher since I was in Year 4. I am so excited to be living my childhood dream.
