All about
your
teacher!

MY FAMILY

I am married to my wife Ash. She's a teacher as well, but at a High School. We live in the Blue Mountains. I have one sister, who is married with two kids. I love spending time with my niece and nephew.

MY PETS

I have two female rescue cats – one black named Pandora and one tabby named Saphira. They usually get called Pan and Saph (except when they're in trouble!)

I also have one blue Siamese Fighting Fish called Skittles.

HOBBIES & INTERESTS

I have a lot of interests outside of school. I love to travel, but also love staying home and reading, watching movies or playing video games. I am part of a Dungeons and Dragons group with some friends. I love sports, especially AFL and cricket, but I will watch just about anything.

Fun Facts about me

- I have been to every state in Australia except Tasmania and over 20 countries
- I know the alphabet in sign language
- I can juggle, just not for very long
- I have never broken a bone
- I played AFL, cricket and basketball when I was younger
- When I was travelling in Iceland, I got to go inside an extinct volcano and snorkel where the country is splitting apart

2025

I cannot wait for the year to start and see what new adventures it brings.
